

## Hershell Moore

Hershell Moore was born 12/7/1939. He is the father of three children : Rodney, Pam and Brian. His wife of nearly 50 years was Elizabeth "Vi". Hershell has always been a man who loved his God, country and family.

Hershell is known for his love for God. He instilled in his family Godly values that each child still holds today. He was active in his church and you will often hear him say that he built the church he used to go to in Del City. That is not far from the truth Since he committed so much time, labor, and money in making the church what it is today.

He served proudly in the United States Air Force for 22 years. After which, he Continued to serve the United States in the civil service until he retired. Although he Loved his country, he said the reason he joined the military was because he had to work too hard doing his father's chores on his family farm.

Hershell loved his wife with the kind of love that lasted a lifetime. He continues to show love for his children, grand-children and great grandchildren. I for one am very proud of all he has accomplished and all that he stand s for. He continues to be a true role model that I am proud to emulate to my children. I hope that I can show my wife and family that kind of love that makes them feel safe and secure for as long as they Live.

Brian K. Moore, Hershell's Son
