Dear Lord, So far today, I'm—doing all right
I have not gossiped, lost my temper,
been greedy, grumpy, nasty, selfish, or self
indulgent. I have not whined, complained,
cursed, or eaten any chocolate. I have charged
nothing on my credit card. But I will be getting
out of bed in a minute. And I think that I will really need your help then.

The Arbor House Philosophy is based on the belief that each resident is entitled to the highest quality of life through wellness services that work to promote independence, healthy lifestyles, dignity, and a sense of security. The right of each resident to determine his/her needs is respected at each level of care and promoted by providing services in ways that recognize individuals needs, and preferences. A partnership exists between residents and staff to promote individual independence while providing the necessary support functioning at his/her highest level.
